

NASCI 2023 Annual Meeting

September 9-12, 2023 • **Scottsdale, Arizona** • The Scott Resort & Spa

PARTNERSHIP PROSPECTUS

NORTH AMERICAN SOCIETY FOR CARDIOVASCULAR IMAGING

Welcome

NASCI 2023 Annual Meeting • September 9-12, 2023 • **Scottsdale, Arizona**

Dear Industry Colleagues,

On behalf of the NASCI Leadership, it is my pleasure to invite your support of and participation in the annual meeting of the North American Society for Cardiovascular Imaging. This meeting will take place, live and in person, September 9-12, 2023 at the Scott Resort and Spa in Scottsdale, Arizona.

The North American Society for Cardiovascular Imaging (NASCI) is an international organization dedicated to the advancement of cardiovascular imaging through the education of physicians and allied health care providers on a broad range of cardiovascular imaging applications and techniques. These include major CT and MR advances, new cardiovascular devices, cardiovascular disease in women, updates on imaging of ischemic heart disease and cardiomyopathy, and much more. The NASCI board and meeting faculty are leaders in the field, representing most of the major academic and private centers in the US, including members of the editorial boards of major journals, participants on guideline writing committees, and influencers of the practice of cardiovascular imaging worldwide through their scientific publications, textbooks and lectures.

NASCI 2023 will highlight the latest technological advances in software such as Computed Tomography-Fractional Flow Reserve (CT-FFR), Quantitative MR Perfusion as well as Artificial Intelligence (AI) for various cardiovascular applications from basic ventricular volume assessment to more advanced applications. New hardware advances in photon counting CT and multi-energy CT will be showcased and there will be opportunity for hands-on learning. The NASCI Leadership's initiative for 2023 is to feature the best products and vendors in cardiovascular imaging!

This year's meeting will allow you to network with 250-300 radiologists, cardiologists, and allied health professionals with a subspecialty in Cardiovascular Imaging. Industry partners and exhibits are an essential part of our meetings' success, and our attendees will be eager to learn about your company's products and services that can assist them with improving the care of their cardiovascular patients.

Thank you for your consideration of our request for participation; we look forward to receiving your commitment. If you have any questions, please contact Ryan O'Sullivan, Ryan@veritasamc.com or 847-584-3938

Kind regards,

Ryan O'Sullivan
Director, Industry Relations

Partnership Opportunities

NASCI 2023 Annual Meeting • September 9-12, 2023 • **Scottsdale, Arizona**

EXHIBIT SPACE RESERVATIONS

Companies wishing to exhibit must submit a completed exhibitor form. Exhibits provide an enhanced experience to participants and provide useful information about developments, products and services related to their interests and responsibilities. Products or services displayed must further the purpose of the meeting and provide an atmosphere conducive to exchanging information relevant to the clinical content of the conference.

WHY PARTICIPATE?

- Reach your target audience economically and time effectively
- Network with prominent clinicians and key decision makers
- Enjoy unopposed exhibit hall hours
- Take advantage of educational sessions and learn about the current needs of clinicians and key decision makers
- Participate in planned social events with attendees
